## About This Content

## Heart of Steel

*Savage Worlds Slipstream Adventure for Fantasy Grounds*

*When your intrepid band of Streamers comes across the floating shell of a spaceship, how involved could it get? From that one simple discovery comes a parade of adventure-love and betrayal, secret police and hidden gardens, endless night and technophobia, robots and fungus-fit for any spacefaring crew.*

Heart of Steel is converted from a 24-page trek by Umberto Pignatelli for Savage World's Slipstream setting. It is meant for Novice characters and is best for a group that already owns or has control of a rocket ship.

**Requires:** A Fantasy Grounds full or ultimate license and the Savage Worlds Ruleset and the SlipStream Setting for Fantasy Grounds

*Fantasy Grounds Conversion:* **Grimm Gunthar**
